Animal Clinic Dog Social Hour Rules and Regulations

Animal Clinic Social Hour for Dogs is just that. A chance for you and your dog to play and get to know other dogs and owners. We at Animal Clinic encourage socialization amongst pets and other people. Dogs that are socialized tend to not be as fearful going into new places, meeting new people, being in new situations, and being around other dogs. Socializing teaches your dog that its okay to play with others and be handled by other people without being scared or aggressive.

- Social Hour is from 5pm – 6pm on Tuesday & Thursday evenings.
- Check-in is at the West Gate.
- Your dog must be current on all vaccinations (bring your records with you)
    - Puppies must have had a full series of DHPP, first RABIES, and BORDETELLA
